CONTENT CREATOR

MUHAMMAD FAIZ ALFATIH

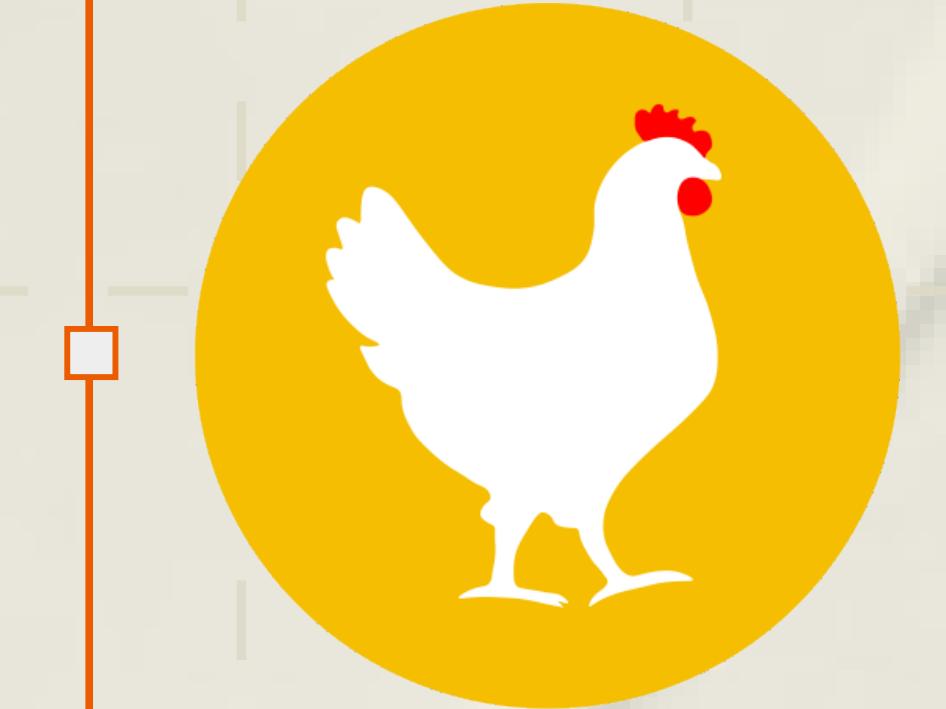

Hi, i'm Muhammad Faiz Alfatih. Professional Graphic Designer with **4 years of experience**, since i'm collage. Specializing in digital media design, printed media, and various visual content. Skilled in creating impactful designs that enhance brand identity and audience engagement. Strong communication and collaboration abilities, ensuring smooth teamwork and effective creative execution.

As a **Content Creator**, I am responsible for managing RoccaSpace's social media content, particularly on Instagram. My role includes brainstorming ideas, creating content plans, conducting shooting sessions, writing copy, and handling the editing process. Over the course of one year at RoccaSpace, I successfully contributed to increasing the company's Instagram followers by 10,000 Followers.

As a **Digital Marketing Staff**, I am responsible for creating designs based on the required briefs, covering both online and print media. This includes social media content, posters, banners, and more. I collaborate with other divisions to determine design needs and objectives, ensuring that the visuals align with the overall marketing goals.
